

Status on Sustainable Development Goals - Telangana

December, 2018

Telangana State - The Vision

- Telangana, the youngest State in the Union of India envisages a comprehensive, inclusive and holistic development of its people. Towards achieving the vision of '***Bangaru Telangana (Golden Telangana)***', Government of Telangana has taken up initiatives such as...
 - ✓ **accelerating economic growth;**
 - ✓ **improving infrastructure facilities; and**
 - ✓ **programmes targeting social welfare and inclusive growth.**
- Most of these initiatives, will pave the way for achieving the 'Sustainable Development Goals'.

State Profile in Brief

- New State of 'Telangana' formed on 2nd June 2014 as the 29th State in India
- No. of Districts - 31
- Geographical Area - 1,12,077 Sq. Kms
- Forest Coverage – 24.1%
- Population - 3,50,03,674
- Rural – Urban Population Ratio – 61:39
- Children (0-18 years) - 35%
- Youth population (15-18 years) - 8%
- Sex ratio (females per 1000 males) - 988
- Average size of the land holding is 1.12 Hects
- People dependent on Agriculture and other farm activities – 55.49% of total workforce.

State Profile in Brief...

- Literacy Rate – 66.54 %
- Dropout Rate – Primary – 18%; Elementary-32.33%; Secondary-38%
- Gross Enrolment Ratio – 98% (All levels)
- IMR – 31 (All India 34)
- MMR – 81 (All India 130)
- Total Fertility Rate – 1.8
- Life Expectancy at Birth - 69.4 (Males); 73.2 (Females)
- HDI Rank – 10th among major states

Telangana – Fastest Growing State

- Telangana is growing fast with annual average growth rate of 17.2% in terms of revenue which is highest among major states.
- GSDP Growth for 2017-18:
 - 14.1 % (Current)
 - 10.4 % (Constant)
- This pace of growth has been made possible due to the progressive policies and schemes adopted by the Government

Progress in Telangana so far on SDG implementation

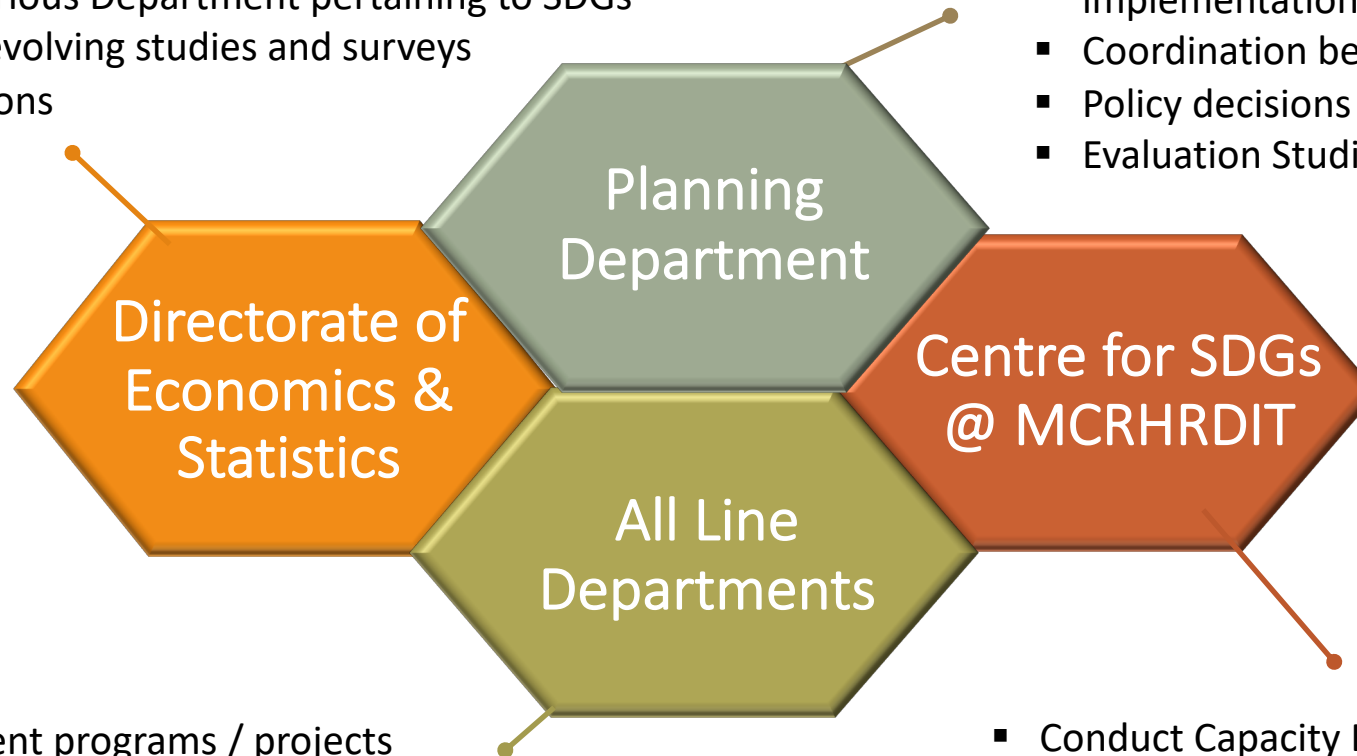

- Mapped SDGs with Departments concerned
- Mapped each target with Departments responsible
- Mapped Flagship programmes with each Goal
- **Mapped Budget Estimates with each indicator of SDG (for major Depts.)**
- Senior Officers of departments concerned deputed to attend SDG wise National Level and regional level Consultations arranged by NITI Aayog and MoSPI.
- SDG related Sector wise workshops are being conducted
- **Centre for SDGs set up at MCRHRD IT**
- **E-Learning Module** is developed to generate awareness on SDGs in the State and other similar modules are being planned on the platform of '**Telangana e-learning Application Management System**' - TeAMS

Integration of Flagship Programs with SDG

The state will be able to achieve the SDGs.

Institutional Arrangements for SDG Implementation

- Develop monitoring framework for SDGs
- Monitor the progress of various Department pertaining to SDGs
- Assist the departments in evolving studies and surveys
- Release Reports / publications

- Nodal department for overall monitoring of SDG implementation
- Coordination between Departments
- Policy decisions on speedup the process
- Evaluation Studies

- Implement programs / projects
- Provide data periodically for monitoring purpose
- Evolve innovative ideas for SDGs
- Conduct Surveys / Evaluation Studies

- Conduct Capacity Building / Training Programs
- Conduct Orientation Programs on SDGs
- Organize State / National / International level Workshops / Conclaves etc.

Monitoring Framework

- State is following the monitoring framework prescribed by MoSPI
- Indicators are shared with concerned departments and based on the inputs, a state level indicators will be finalized.
- Dashboard of NITI Aayog / UNDP will be adopted for monitoring of the progress on real-time basis

Capacity building initiatives

- Briefing on SDGs in the Secretaries Conference Chaired by Chief Secretary held on 19.06.2017.
- All the district level officers were oriented on SDGs
- Special Workshops and training programs for district officials conducted with focus on goal 5 targets (Safety and Security for women and Gender equality)
- Till date, about 1100 district officials were trained and the programs are being continued.
- Senior officers were deputed for national and regional consultation meetings

Capacity Building Initiatives...

- Developed e-learning module on SDGs both in Telugu and English for Telangana
- Developed similar module for National perspective and shared with NITI Aayog and DoPT for Nation-wide use.
- Aiming to Train 60000 employees of district and sub-district level in Telangana State through MCRHRDI T.
- Development of modules on specific to each goal integrating with 'Aspirational District Program' is under progress.
- CSDG conducted Workshop on “**Capacity Building for field staff on preparation of District Action Plans**” for district and mandal level officials of three aspirational districts in Telangana on 10-12 October, 2018 which is also focused on SDG importance.

Way Forward

- Customize national dashboard as per state needs
- Proposed to make CSDG at MCRHRD as National Level Nodal Agency for capacity building for SDGs and Aspirational Districts to district and sub district level officers
- This will help in achieving the SDGs in the Aspirational Districts much before 2030.
- CSDG initiating ‘National Workshop on Implementation and Monitoring of SDGs’ for Joint Secretary level officers of Govt. of India proposed during January – February, 2019
- Finalizing of Indicators for the State, based on availability of data for monitoring the progress of SDGs in the State

Think Globally
Act Locally

Thank You
