STAKEHOLDERS CONSULTATION

India has a dire shortage of qualified doctors. It is practically not possible for the Central/State Government to bridge the gaps in the medical education with their limited resources and finances. This necessitates formulating a **Public Private Partnership** (“PPP”) model by combining the strengths of public and private sectors. Accordingly, a **Scheme to link new and/or existing Private Medical Colleges with functional District Hospitals through PPP** would augment medical seats and also rationalise the costs of medical education.

Emphasising the importance of the above, NITI Aayog has developed the **‘Concession Agreement Guiding Principles for Setting up Medical Colleges through PPP’**. The said Concession Agreement has been developed based on the international best practices, and similar PPP arrangements that are operative in the States of **Gujarat and Karnataka**. Under this envisioned model, the Concessionaire shall **design, build, finance, operate and maintain** the medical college and also **upgrade, operate and maintain** the associated District Hospital with a minimum annual student intake of 150 MBBS seats.

The draft Concession Agreement is uploaded on the NITI Aayog website (<https://www.niti.gov.in/documents/model-agreements>). Stakeholders are requested to provide their written comments, if any, **by or before 10th January, 2020**. The comments are to be sent in the enclosed format, in electronic/editable form, addressed to Dr. Vijayashree Yellappa, Consultant (PPP/PAMD), on the email: vijayashree.y@gov.in.

In this regard, there will be a **stakeholder’s meet** at NITI Aayog, New Delhi **on 21st January, 2020 at 11:00am**. All those who are interested in attending the meet are

requested to send a line of confirmation latest by 15th January 2020 on the
aforementioned email.

40.1.1 If as a result of Change in Law, the Concessionaire suffers an increase in costs or reduction in net after-tax return or other financial burden, the aggregate financial effect of which exceeds [Rs. 1 crore (Rupees one crore)] in any Accounting Year, the Concessionaire may so notify the Authority and propose amendments to this Agreement so as to place the Concessionaire in the same financial position as it would have enjoyed had there been no such Change in Law resulting in the cost increase, reduction in return or other financial burden as aforesaid. Upon notice by the Concessionaire, the Parties shall meet, as soon as reasonably practicable, but no later than [30 (thirty)] days from the date of notice, and either agree on amendments to this Agreement or on any other mutually agreed arrangement:

40.1.2 Provided that if no agreement is reached within [90 (ninety)] days of the aforesaid notice, the Concessionaire may by notice require the Authority to pay an amount that would place the Concessionaire in the same financial position that it would have enjoyed had there been no such Change in Law, and within [15 (fifteen)] days of receipt of such notice, along with particulars thereof, the Authority shall pay the amount specified therein; provided that if the Authority shall dispute such claim of the Concessionaire, the same shall be settled in accordance with the Dispute Resolution Procedure in accordance with Article 43. Pursuant to the provisions of Clause 40.1 and 40.2 for the purposes of placing the Concessionaire in the same financial position as it would have enjoyed had there been no Change in Law affecting the costs, returns or other financial burden or gains, the Parties shall endeavour to establish a net present value (the “NPV”) of the net cash flow and make necessary adjustments in costs, Revenues, compensation or other relevant parameters, as the case may be, to procure that the NPV of the net cash flow is the same as it would have been if no Change in Law had occurred. For the avoidance of doubt, the Parties expressly agree that for determination of NPV, the discount rate to be used shall be equal to the weighted average rate of interest at which the Concessionaire has raised the debt under its Financing Agreements.

40.4 Restriction on cash compensation

The Parties acknowledge and agree that the demand for cash compensation under this Article 40 shall be restricted to the effect of Change in Law during the respective Accounting Year and shall be made at any time after commencement of such year, but no later than one year from the close of such Accounting Year.
