Standard Distribution all the above Officer

Power & Duties of Officers

The Vertical Officers strives to provide top-quality policy support to all stakeholders to make India Energy-Secure. It aims to boost investment to achieve an efficient, sustainable, and clean energy system.

The Vertical makes concerted efforts towards reducing energy import, ensuring an alternative supply of energy and enhancing domestic supply. It seeks to strengthen the energy infrastructure and resolve cross-sectoral issues. The policy framework is geared such that energy is supplied through efficient markets to improve India's competitiveness and spur economic growth.
