

A-12026/12/2022-Admin I
GOVERNMENT OF INDIA
NITI AAYOG

NITI Bhawan, Sansad Marg,
New Delhi-110001

VACANCY CIRCULAR

Subject: Recruitment to the posts of Senior Lead/Lead, Senior Specialist/Specialist and Senior Associate/Associate under Flexi Pool in NITI Aayog.

The National Institution for Transforming India is the premier policy Think Tank of India which is engaged in number of transformational initiatives as a catalyst and an accelerator of change across sectors in partnership with Central Ministries and the State Governments. NITI Aayog is developing itself as a state-of-the-art resource center with the necessary knowledge and skills that will enable it to act with speed, promote research and innovation, provide strategic policy vision for the government, and deal with contingent issues. It is supported by an attached office, Development Monitoring and Evaluation Organization (DMEO), a flagship initiative, Atal Innovation Mission (AIM) and an autonomous body, National Institute of Labour Economics Research and Development (NILERD). NITI Aayog's entire gamut of activities can be divided into four main heads:

1. Policy and Programme Framework
2. Cooperative Federalism
3. Monitoring and Evaluation
4. Think Tank, and Knowledge & Innovation Hub

NITI Aayog requires the services of suitable officers for the following posts:-

Technical Skills Required:

- i) Strong knowledge of agricultural policies, rural development, food systems, and trade issues.
- ii) Proficiency in data analysis and softwares (Stata, R, SPSS, Python, Excel, ARCGIS).

iii) Excellent writing, communication, and presentation skills.

iv) Ability to work in multidisciplinary teams and engage with diverse stakeholders

c) Job Description:

i) Collect, analyze, and interpret agricultural data using statistical and econometric models to forecast trends, and simulate policy outcomes.

ii) Conduct comprehensive analysis of agricultural policies and programs—evaluating price supports, subsidies, trade measures, and food security interventions—and assess their impacts on farmers, consumers, and markets at national and international levels.

iii) Engage with government, farmer organizations, private sector, and international bodies for policy advocacy, while supporting inter-ministerial and inter-state coordination.

iv) Develop strategy reports, policy briefs, research papers, and strategy notes and effective dissemination of research outcomes.
